### 1. Presidents Report

Tony Piccaro questioned if a general contractor will be used on the new Church. The answer is no, John Dawkins is the site manager and there is no general contractor per se but a contractor will be contracted for the building itself with other parts also contracted out i.e., HVAC, roof etc.

### 2. New Business

Request from Rosary Altar Society for hall, parking lot and lawn for a yard sale on Saturday 6/16/2007 from 9:00AM – 2:00PM with a rain date of Sunday 6/17/2007 from 12:00 – 3:00 PM. The request is approved with the provision that that rain date time be modified to a 1:00PM start to not interfere with mass parking. The closing time is left open the Rosarians.

Fr. Joe read an article about a construction project in another parish that need to

No unfinished business

### 4. New Church Construction Project

Fr. Joe reported that we have an opportunity to purchase over 100 year old imported German Stained Glass windows that can be incorporated into our church design. These windows were removed from a church in Philadelphia. A trip is planned for the morning of Friday 4/13/2007 to inspect these windows. Any council member wishing to attend please contact Fr. Joe.

The meeting ended at 8:50 PM.
