### 1. President's Report

A joint meeting of Campaign continuation and Finance committees was held last week. The report is positive in that 80 pledges are paid in full. There is \$571,000.00 currently in the Building Fund Account (net of expenses thus far), that is about 1/3 of the cash amounts pledged. There were 70 late payments as of July 2006, but today there are only 13 late payments of those who continue to pay on a regular basis. No pledge payments have been made on about \$44,000.00 of pledges and \$17,000.00 in pledges were canceled. There are 35 payments behind schedule for \$113,000.00. An outreach program will be developed to attempt to increase participation in funding the project. Post groundbreaking, new parish members will be contacted. The next continuation meeting will be in late June and all council members are invited.

## Parish Council Meeting Minutes May 1, 2007

### 2. New Business

A request received from Pat Vanderbeck to establish a religious education program for disabled children on Sunday over the summer from 9:30 to 11:45AM. Fr. Joe discussed the proposal with Diane and investigated what is done at the diocese. After discussion of the issues, the council approves this program on a trial basis with the provision that one parent must be present for each child attending the program and Pat is to coordinate with Diane.

Parish Picnic – a suggestion by Nick to skip the picnic this year and to have the next picnic in 2008 on the new church grounds and to have members of the parish prepare the food. The council approves skipping the 2007 picnic and resuming the picnic in 2008.

The stained glass windows are contracted, and three have a dedication sold at \$50,000.00 each.

Pulpit announcement assignments for Parish Council nominations are:  
Saturday masses: Nick, Sunday 8:00AM: Ray, 9:30: Leo and 11:00: Linda.

There is another deanery meeting this week and a town hall meeting is scheduled on June 6 for the parish to explain the working of this committee.

### 3. Unfinished Business

No unfinished business.

### 4. New Church Construction Project

Also attending this meeting are John and Gloria Dawkins. John would like to place an announcement in the bulletin. The wording was reviewed and will be included in this weekend bulletin. A number of general contractors have responded. Site work bids are going out this week with the generator incorporated. Window drawings are being revised to incorporate the stained glass. A construction address has been established of 80 Province Line Road. Power, gas and telephone are being established on the site. John requests that we purchase a construction trailer instead of renting to save some money. The council approves John's request to purchase a trailer.

The meeting ended at 9:15 PM.
